Granville Route
Poland

The Shelburn Line
France

The Line-Crossers
Holland

The Shetland Bus
Norway

The Burgundy Line
France

These are just some of the organisations that aided Allied soldiers, airmen and other fugitives to escape and evade the enemy.

- What can you find out about them?
- Who were the 'key' players?
- During what period did they operate?
- Were there any traitors?
- How many people did they manage to save?

**Can you find out about other related organisations?
Think about: SOE, MI9, etc.**
